Factory.CreateGasolinePowered"] --> B["Products.ScifiVehicle.Vehicle  
Builder.AddWheels"]; A --> C["Products.ScifiVehicle.Vehicle  
Builder.WithColor"]
```

The diagram illustrates a factory method, `Factory.CreateGasolinePowered`, which is associated with two different product builders. The factory method is represented by a grey box on the left. Two blue arrows point from this box to two white boxes on the right. The top white box represents the `Products.ScifiVehicle.VehicleBuilder.AddWheels` method, and the bottom white box represents the `Products.ScifiVehicle.VehicleBuilder.WithColor` method.
